

About our Physicians

Dr. Wagner received his bachelor's degree from Iowa State University and then his podiatric degree with honors from The Illinois College of Podiatric Medicine. He completed his surgical residency in Columbus Ohio and has been at University Foot Center since 1994. He is board certified in foot surgery with training in ankle arthroscopy, stabilization and fusion.

Dr. Lynette Mehl received her bachelor's degree from The Ohio State University then continued on to receive her podiatric degree from the Ohio College of Podiatric Medicine. She completed a three year surgical residency at The Ohio State University Medical Center. She has been in private practice since 2004. She has extensive training in foot and ankle surgery including ankle arthroscopy, foot reconstruction and fusion.

WELCOME TO OUR OFFICE

We are honored that you have chosen our office to provide your foot and ankle care. Our dedicated and compassionate staff is committed to your healthcare needs.

We provide this pamphlet to answer many of the questions you may have and invite you to call or visit if you have additional questions

Our practice strives to offer the latest in foot and ankle medicine and surgical intervention. Our physicians understand the importance of conservative treatment but have extensive training in wound care and reconstructive surgery.

OFFICE HOURS

We are open Monday thru Friday from 9 am until 5 pm. Saturday appointments are available from 9 am until 11:45 am, most weeks.

EMERGENCIES

We attempt to always have office appointments available for foot and ankle emergencies.

Should you require one of our physicians after hours you may page them through our office paging system.

We Treat:

All Foot and Ankle pathology,
conservative to surgical care

- Bunions, hammertoes, corns, and callouses
- Sprains and fractures
- Heel and arch pain
- Tendinitis and injuries
- Sports and running injuries
- Children, teens and adults

Diseases of the skin

- Athlete's foot
- Ingrown, infected, and fungal nails
- Warts and other lesions
- Lacerations

Diabetes

- Routine screening and care
- Infections, ulcers and wound care
- Acute and chronic pain

FEES AND INSURANCE

Most services are covered by many of the common insurance plans. We have an in house billing department that will submit the appropriate claims.

We encourage patients to be familiar with their carrier's benefits as each plan is different.
